

Tim Hawkinson's Überorgan

Cal Dannenhirsch

Tim Hawkinson

Tim Hawkinson is an LA-based sculptor and installation artist

Most of his works utilize basic, everyday materials and involve subject matter related to the human body

Emoter (2002)

Überorgan

(2000)

Miles of plastic sheet and dryer hoses are hooked up to an industrial blower, creating an interconnected system of tubes and balloons

Light-sensitive switches read the patterns long rolls of plastic

Based on the pattern, the airflow is manipulated by large reeds in metal pipes
